

Sydney Water Corporation Purchase Order Terms and Conditions

1 APPLICATION OF THESE TERMS AND CONDITIONS

- 1.1 SWC may issue a Sydney Water Order to the Contractor to provide Goods and/or Services.
- 1.2 These terms and conditions apply to the supply of Goods and/or Services as set out in the Sydney Water Order. Any future Sydney Water Order issued to the Contractor is subject to the terms and conditions applicable at that time and found at www.sydneywater.com.au/purchaseorderc.
- 1.3 No other terms and conditions, including any terms provided by the Contractor with any quotation or with particular Goods and/or Services upon delivery or performance, form part of this Contract. This Contract constitutes a written offer, which, if not already accepted by the Contractor, is accepted by conduct when the Contractor supplies the Goods and/or provides the Services to SWC. To the extent permitted by law, it is a condition of the sale, provision and delivery of the Goods and/or Services by the Contractor that the Contractor accepts the terms of this Contract despite the provision of any other terms and conditions by the Contractor. However, the parties may at any time enter into a SWC Standard Agreement in which case that SWC Standard Agreement will apply to the Goods and/or Services and will supersede this Contract.

2 CONTRACTOR'S GENERAL OBLIGATIONS

- 2.1 The Contractor must supply the Goods and perform the Services (as applicable) in accordance with the requirements of this Contract and all Legislation and all relevant Australian standards (including any other relevant standards specified by SWC in any reference documents identified in the Sydney Water Order, describing the scope of Services and/or the requirements for the Goods).
- 2.2 No provision of this Contract will be deemed to create an exclusive agreement between the parties and SWC will always be entitled to invite tenders from and contract with any other party it deems fit, for the provision of like goods and/or services. SWC has no obligation to issue any Sydney Water Order to the Contractor and the Contractor has no right to make any claim for loss of profit or contract or any other Losses resulting from any failure by SWC to issue any Sydney Water Order.
- 2.3 The Contractor must ensure that:
 - (a) the Contractor and its personnel are suitably experienced, skilled, qualified, knowledgeable and competent for the provision of the Services;
 - (b) the Contractor has all rights, title, interest, permits, licences, registrations, certificates and other administrative authorisations necessary to lawfully supply the Goods and perform the Services (as applicable) and comply with its obligations under the Contract (all of which the Contractor is responsible for at its own risk and expense);
 - (c) the Goods and Services (as applicable) will be fit for their intended purpose as stated in, or reasonably to be inferred from, the Contract; and
 - (d) any Goods provided will be of good and sound design, materials and workmanship, new, of merchantable quality and fit for the purpose for which they are intended to be used (provided such purpose is stated in, or can be reasonably inferred from, this Contract), be free from defects, conform with this Contract and be free from any encumbrances or defects in title.
- 2.4 Title in any Goods will pass to SWC on delivery of the Goods to the Site, or on payment by SWC (whichever is earliest). The Goods remain at the risk of the Contractor until the Contractor has delivered the Goods in accordance with this Contract.
- 2.5 The Contractor must comply with all reasonable directions given by or on behalf of SWC in relation to the Goods and

the Services or this Contract. The Contractor must cooperate with SWC and its other contractors, and promptly provide any information reasonably requested by SWC.

- 2.8 The Contractor must comply with, and must ensure that its subcontractors (and the employees and agents of the Contractor and its subcontractors) engaged on the Site comply with SWC's requirements (as identified in the Sydney Water Order or given by an authorised representative of SWC at the time of, or prior to, the relevant Sydney Water Order being issued).
