

Vaccination Acknowledgement Statement

At Sydney Water we are committed to the health and safety of everyone. We also support hybrid working for our office-based employees, with onsite work required at least two days a week.

Therefore, due to the ongoing threat of COVID-19 on our people and operations, from 1 December 2021, **full vaccination against COVID-19 will be a condition of entry to all Sydney Water sites** (unless there is a NSW Health Medical Contraindication).

I acknowledge the above and understand the condition of entry requirements at Sydney Water.
