Why you should attend:

- Platform to showcase your organisation's projects, capabilities and innovations to over 1,000 expo participants.
- Connect and network with a range of key industry players, which can lead to future partnerships.
- Position your organisation alongside Sydney Water as the pioneering future of infrastructure in Greater Sydney.
- Support Sydney Water's ongoing commitment towards sustainability.

What to expect at the expo:

The full day event will include the conference and exhibition, bringing together over 1,000 industry members.

Conference – Keynote presentations and panel discussions on topics including a briefing on our project pipeline, ways to partner with us, innovation and emerging technologies.

Trade show – Exhibition hall with approximately 100 Sydney Water suppliers showcasing their capabilities, products and services.

Connections – Networking opportunities with Sydney Water employees and supplier representatives.

What exhibitors told us they liked about taking part in 2024

- Opportunity to not only connect with key Sydney Water personnel but meet other suppliers and potential new customers.
- Access to the partner ecosystem and visibility of our capabilities.
- Networking and speaking to customers in the industry.
- Branding as supplier to Sydney Water and connecting with attendees.
- Discussing business improvements to implement in Sydney Water operations and our new products.

Partnership and exhibitor opportunities

An exciting range of opportunities are available to deliver positive outcomes for all exhibitors and partners. In 2026, this expo will offer direct access to targeted, strategic audiences. The exhibitors and partners will make this a dynamic and innovative event - secure your spot today..

- Logo in expo program
- Logo on expo website
- Two complimentary registrations

Please note: no other juice/smoothie stations will be permitted within the exhibition area or at exhibition stands.

General information

- Exhibitor registration includes access to the conference sessions and the exhibition floor and catering during morning tea and lunch.
- Priority of placement within the exhibition will be sold in accordance with the date of application receipt and exhibitor level.
- The exhibition manual containing information on move-in and move-out times will be distributed to exhibitors in coming months.
- The expo features opportunities to showcase First Nations businesses and local start-ups. If you're interested in being part of the showcase, know a supplier we should feature or would like to support the initiative, please get in touch.
- Sydney Water is committed to sustainability across our operations. We're working towards net zero carbon emissions across our business by 2030 and across our supply chain by 2040. For this expo, we're collaborating with partners to deliver a socially and environmentally responsible experience. We invite sponsors and exhibitors to showcase how their work is helping shape a more sustainable future.
- To help us bring you a bigger and better expo, we will be introducing a \$55 registration fee for delegates, with complimentary passes included in all exhibitor packages.

Conditions of payment

- Upon confirmation of your exhibitor package, 100% of the payment will be invoiced and due within 30 days. If you prefer to make a payment arrangement and pay in two parts, please speak to the Exhibition Coordinator.
- Failure to pay for the exhibitor package may result in the package being released for sale.
