### 50 percentile yearly summary

| EPA Point 5<br>Site code BN0005 |                 | Point description: In the effluent channel downstream of the sedimentation tanks |                   |                |                |                     |                     |               |
|---------------------------------|-----------------|--|-------------------|----------------|----------------|---------------------|---------------------|---------------|
| pollutant                       | unit of measure | sampling frequency   | number of samples | minimum result | maximum result | 50 percentile limit | 50 percentile value | within limits |
| oil and grease                  | mg/L            | every 6 days   | 61                | 19             | 49             | 55                  | 37                  | yes           |
| total suspended solids          | mg/L            | every 6 days   | 61                | 68             | 170            | 200                 | 100                 | yes           |

### 90 percentile yearly summary

| EPA Point 5<br>Site code BN0005 |                 | Point description: In the effluent channel downstream of the sedimentation tanks |                   |                |                |                     |                     |               |
|---------------------------------|-----------------|--|-------------------|----------------|----------------|---------------------|---------------------|---------------|
| pollutant                       | unit of measure | sampling frequency   | number of samples | minimum result | maximum result | 90 percentile limit | 90 percentile value | within limits |
| aluminium                       | ug/L            | monthly  | 12                | 124            | 269            | 565                 | 215                 | yes           |
| hydrogen sulphide (unionised)   | ug/L            | monthly  | 12                | <30            | 147            | 510                 | 146                 | yes           |
| nonylphenol ethoxylate          | ug/L            | monthly  | 12                | 130            | 184            | 272                 | 177                 | yes           |
| oil and grease                  | mg/L            | every 6 days   | 61                | 19             | 49             | 70                  | 45                  | yes           |
| total suspended solids          | mg/L            | every 6 days   | 61                | 68             | 170            | 250                 | 110                 | yes           |
