

Project update: Menangle Park Wastewater Servicing

25 June 2025

We are enhancing the water and wastewater infrastructure in Menangle Park to support the growing community. This project is part of a broader strategy to ensure reliable and sustainable water services in the Greater Macarthur region.

Sydney Water's West Region Delivery Team is constructing a wastewater pumping station situated at the corner of Menangle Road and Danehill Avenue, Menangle Park.

Along with a second new pumping station North of Menangle Village, this wastewater infrastructure will service about 4,000 new residential lots.

Upcoming out-of-hours work

In addition to our regular working hours, we need to complete the excavation on Saturdays to help us complete the project efficiently. See map overleaf for our work location.

We plan to start on **Saturday, 5 July 2025**, as we need to work consecutively on Saturdays to carry out the excavation works.

Excavations are expected to take up to four weeks, until **Saturday, 26 July 2025**, to complete, in the worst-case scenario.

As you are a key member of the community, we'd like to talk to you about how we plan to manage the potential impacts of this proposal.

Timing of our work

- In addition to our regular working hours, 7am-6pm, Monday to Friday and 8am-1pm Saturday, we anticipate to be working extended hours on Saturdays from 7am-5pm on **Saturday 5 July** up to and including **Saturday 26 July 2025**.
- Local access for residents will be maintained.
- Solid barriers are in place to minimise noise travelling including site sheds.
- We will make every effort to minimise impacts from this work, however, you may experience some temporary noise as site excavation occurs.
- Traffic control measures will be in place to safely manage pedestrian and vehicular traffic through the local area.

Work location: Corner of Menangle Road and Danehill Avenue, Menangle Park

Who can I talk to?

If you would like to provide feedback on our proposed out of hours work schedule or have any concerns, **please call us on 1300 653 817** or email: westregiondelivery@sydneywater.com.au. To know more about this work, you can scan the QR code for more details.

For other Sydney Water repairs or faults, please call **13 20 90 (24 hours)**.
For billing and general enquiries, please call **13 20 92**.

All media enquiries are to be directed to the Sydney Water Media team on **8849 515**.

More information about this infrastructure, as well as the needs and benefits, will be shared with you soon.

Best regards,

Hilary McMahon
Senior Project Manager, Sydney Water
