

# Avalon water main servicing the community

- We've renewed the water main on Old Barrenjoey Road in Avalon Beach. Our work has ensured we can continue to provide clean and reliable water every day.
- Please call **1800 943 119** or email [confluence@sydneywater.com.au](mailto:confluence@sydneywater.com.au) to know more.

Since our last update in July, we have connected the new pipe to the water network and have transferred property and fire services. **We are pleased to confirm that the new water main is now operational and servicing the community.**

We have also removed our site compound and laydown areas, and all parking has been returned to the community.

## What do I need to know?

You may see us in the area from time to time as we complete our quality checks and minor rectification work. We'll schedule this during the day, where possible.

We're also planning the final stage of decommissioning the old main. This is dependent on the availability of our specialist crews, and we'll keep everyone updated once details are confirmed.

## Restoration

We have temporarily restored the road and footpath areas, and we're working with Northern Beaches Council to plan permanent restoration. We'll provide more information to the community soon.

**We sincerely thank the residents and businesses of Avalon Beach for your patience while we completed this project.**

## Where do I get more information?

To know more, please contact us at [confluence@sydneywater.com.au](mailto:confluence@sydneywater.com.au) or call **1800 943 119**
