

4 August 2026

Richmond System Wastewater Upgrade project

Temporary night-time road closure on a section of Old Kurrajong Road, Richmond

As part of the Richmond System Wastewater Upgrade, a section of Old Kurrajong Road will be temporarily closed while we complete asphaltting work for the permanent road restoration. Please refer to the map overleaf for the closure location.

Traffic control will be in place, and residents will continue to have access to their driveways and private properties during construction.

What's happening

Work will be completed in two stages along Old Kurrajong Road.

- Stage 1: Monday 10 August, between Pugh's Lagoon and Triangle Lane.
- Stage 2: Tuesday 11 August, between Triangle Lane and a location on Old Kurrajong Road past the Ridges Lane intersection.

When we'll be working

To minimise daytime traffic congestion, work will be carried out on **Monday 10 August and Tuesday 11 August** from **6:30pm until 5:00am**, weather permitting.

Equipment we will be using

Equipment used will include lighting towers, profiling machines, asphalt pavers, rollers, spray and mix trucks, hand tools, along with support vehicles such as utes and a bobcat.

Minimising noise

There may be some noisy work at times. We will make every effort to minimise disruption where possible.

Traffic management

During our work temporary detours and lane closures will be in place. Authorised Traffic Controllers will assist with traffic flow whilst keeping you and our team safe. Please be mindful when walking, cycling or driving near our construction activities and always follow instructions from our traffic management team.

Refer to the electronic signs surrounding the work area for updates to traffic conditions and detours.

We ask residents to park in adjacent streets or other suitable locations prior to the commencement of work.

Where the work is taking place
