

**4 February 2026**

## **Richmond System Wastewater Upgrade project**

### **Temporary road closure and night work on Francis Street, Richmond**

As part of our construction activities for the Richmond System Wastewater Upgrade, traffic on Francis and Toxana Streets, will be interrupted while we undertake night work along Francis Street, Richmond between East Market Street and Bensons Lane.

This work may generate noise and temporarily impact access to some properties. We will contact residents directly who will be closely impacted by these night works.

#### **What's happening**

We will be installing and testing a new wastewater pipeline (see map overleaf for details).

#### **When and where we'll be working**

To minimise daytime traffic congestion, work will be carried out on **Monday 9 February**.

The working hours will be from **7pm until 5am**, weather permitting. Work will be carried out along Francis Street and there will also be detours in place along Toxana Street.

#### **Equipment we will be using**

Equipment used may include lighting towers, tippers, light vehicles, vacuum truck, and hand tools.

#### **Traffic management**

During our work temporary detours and lane closures will be in place. Authorised Traffic Controllers will assist with traffic flow whilst keeping you and our team safe. Please be mindful when walking, cycling or driving near our construction activities and always follow instructions from our traffic management team.

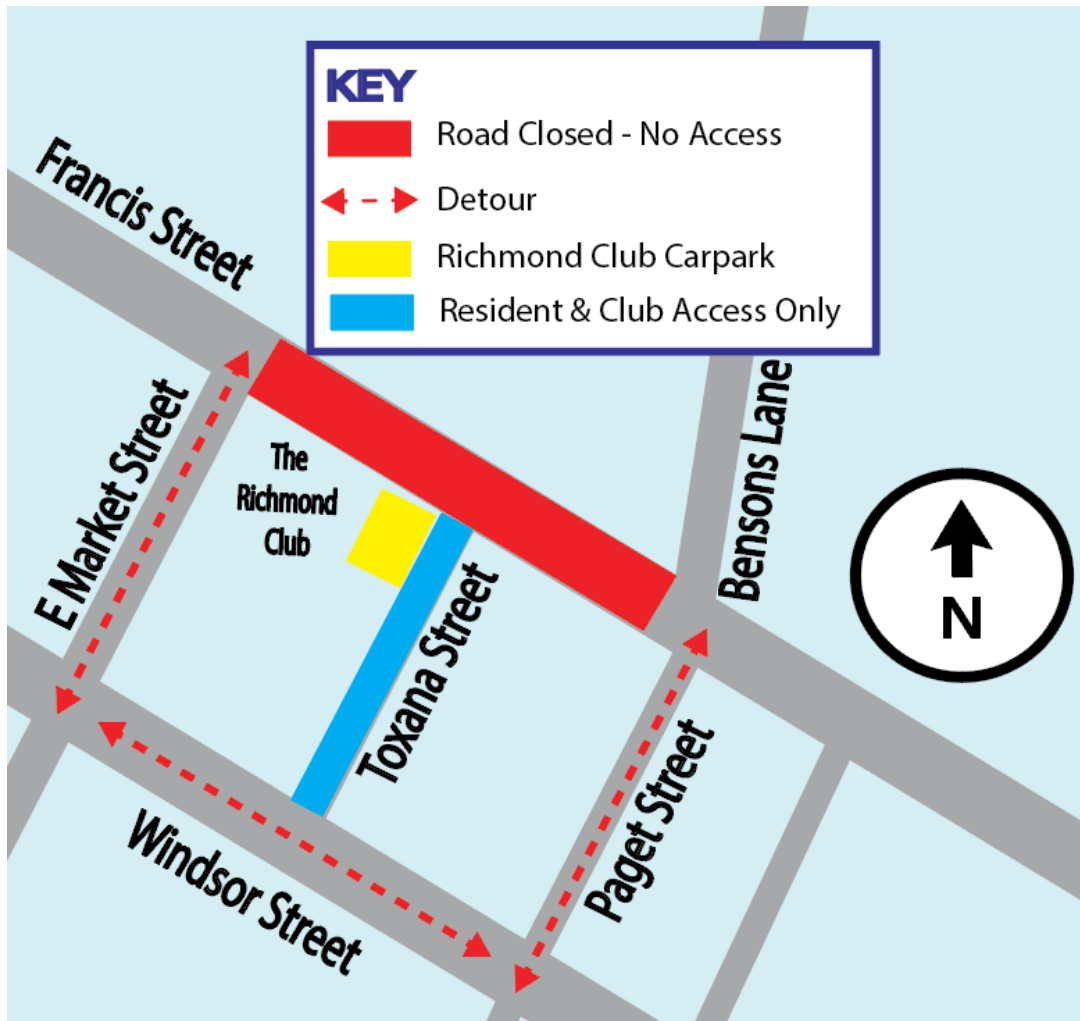

To ensure the installation is carried out safely, traffic control will **stop traffic in both directions** on Francis Street throughout the night.

Traffic delays will occur from **7pm until 5am**.

Refer to the Variable Message Signs surrounding the work area for updates to traffic conditions and detours.

All on street parking will be temporarily disrupted during these work hours.

## Where the work is taking place

Work area along Francis Street, Richmond

## Where do I get more information?

If you would like to know more, please contact our community engagement team on **1800 010 086** or email us at [richmondswu@sydneywater.com.au](mailto:richmondswu@sydneywater.com.au)
