

23 July 2026

Richmond System Wastewater Upgrade project

Night line marking work on Francis Street and Pitt Street, Richmond

As part of our road restoration for the Richmond System Wastewater Upgrade, we will be carrying out line marking on Francis Street and Pitt Street, Richmond.

What's happening

We will be completing line marking as part of the permanent road restoration following our previous pipeline construction activities (see map overleaf for details).

The work is not expected to be noisy and traffic control will be in place. There will be no impact to resident access.

When we'll be working

To minimise daytime traffic congestion, work will be carried out for up to 3 shifts between **Friday 24 July and Friday 31 July** between **7pm and 5am**, weather permitting.

Equipment we will be using

Equipment used will include trucks, hand tools and support vehicles such as utes.

Private property access

Residents will continue to have access to driveways and private properties.

Traffic management

During our work, traffic control will be in place. Authorised Traffic Controllers will assist with traffic flow whilst keeping you and our team safe. Please be mindful when walking, cycling or driving near our work and always follow instructions from our traffic management team.

Where the work is taking place

Work area along Francis Street and Pitt Street

Where do I get more information?

If you would like to know more, please contact our community engagement team on **1800 010 086** or email us at richmondswu@sydneywater.com.au
