

5 April 2024

Dear Resident,

WEEKEND INVESTIGATION ACTIVITIES - RAIL CORRIDOR - WINDSOR ROAD, RICHMOND

Sydney Water is building wastewater infrastructure in Richmond and North Richmond to service Western Sydney's growing population. Our work will ensure we can continue to give you a reliable wastewater service every day.

To enable investigation activities to be done safely, we are completing our investigation activities over a weekend to coincide with a scheduled Sydney Trains trackwork weekend.

This work will take place between 7 am to 6 pm Saturday, 27 April 2024 and Sunday, 28 April 2024, weather permitting.

Please refer to map overleaf for exact location of activities.

What you need to know

We will generate some noise from this work and traffic management will be in place to assist with truck movements in and out of the work area.

Our work in the rail corridor includes a vacuum truck, potholing, line marking and back filling to restore the area disturbed to its original condition.

We know our work can be disruptive, and we'll make every effort to reduce any impact this work may have on you.

We will do this by

- accessing the rail corridor from a gate on East Richmond Station on Bourke Street, Richmond
- setting up a vacuum truck within Richmond Golf Course
- actively monitoring noise, dust and vibration

Where do I get more information and help?

If you would like to know more, please contact our community relations team on 1800 010 086 or richmondswu@sydneywater.com.au. If you need to make special arrangements, please reach out to us so we can work with you.

You can also find out more about the project and register for email updates by visiting our Sydney Water Talk page www.sydneywatertalk.com.au/richmondswu.

Thank you for your cooperation during this work.
