

Ryde to Pymble pipeline upgrade – temporary relocation of bus stops

Sydney Water and our delivery partner, McConnell Dowell – Gamuda Joint Venture, are bringing the Ryde to Pymble drinking water pipeline back into service and upgrading the connection to Wahroonga Reservoir. This essential work will help provide a more reliable water supply and support the growing needs of Sydney's North Shore.

Bus stop relocation

We'll temporary relocate some local bus stops to ensure the safety of passengers and pedestrians while construction on the Ryde to Pymble pipeline upgrade is underway.

- Hermitage Road temporary relocation is anticipated to be effective from
28 August 2026 to September 2026.
- Abuklea Road temporary relocation is anticipated to be effective from
17 November 2026 to January 2027.
- Smalls Road temporary relocation is anticipated to be effective from
7 September to November 2026.

Please refer to the maps on the back of this notice for the temporary bus locations.

Your bus operator will provide information about the temporary bus stop locations and any route changes before they take effect.

What you need to know

The installation of the temporary bus stop will include a new concrete pad and the bus stop sign. A single lane closure will be in place to safely accommodate construction activities.

Our work hours

Our work hours are **7am-6pm Monday to Friday and 8am-1pm on Saturdays**. There will be no work on Sundays or public holidays.
