

9 October 2026

Ryde to Pymble pipeline upgrade

UPDATE – Important project update

We recently distributed a notification regarding upcoming construction work on Kissing Point Road between Saddington Street and Auluba Road.

Due to ground conditions encountered during construction, we have to make changes to our planned construction areas and the timing of our works.

Please see below the updated construction dates and locations, including information about the temporary road closures and detours that will be in place.

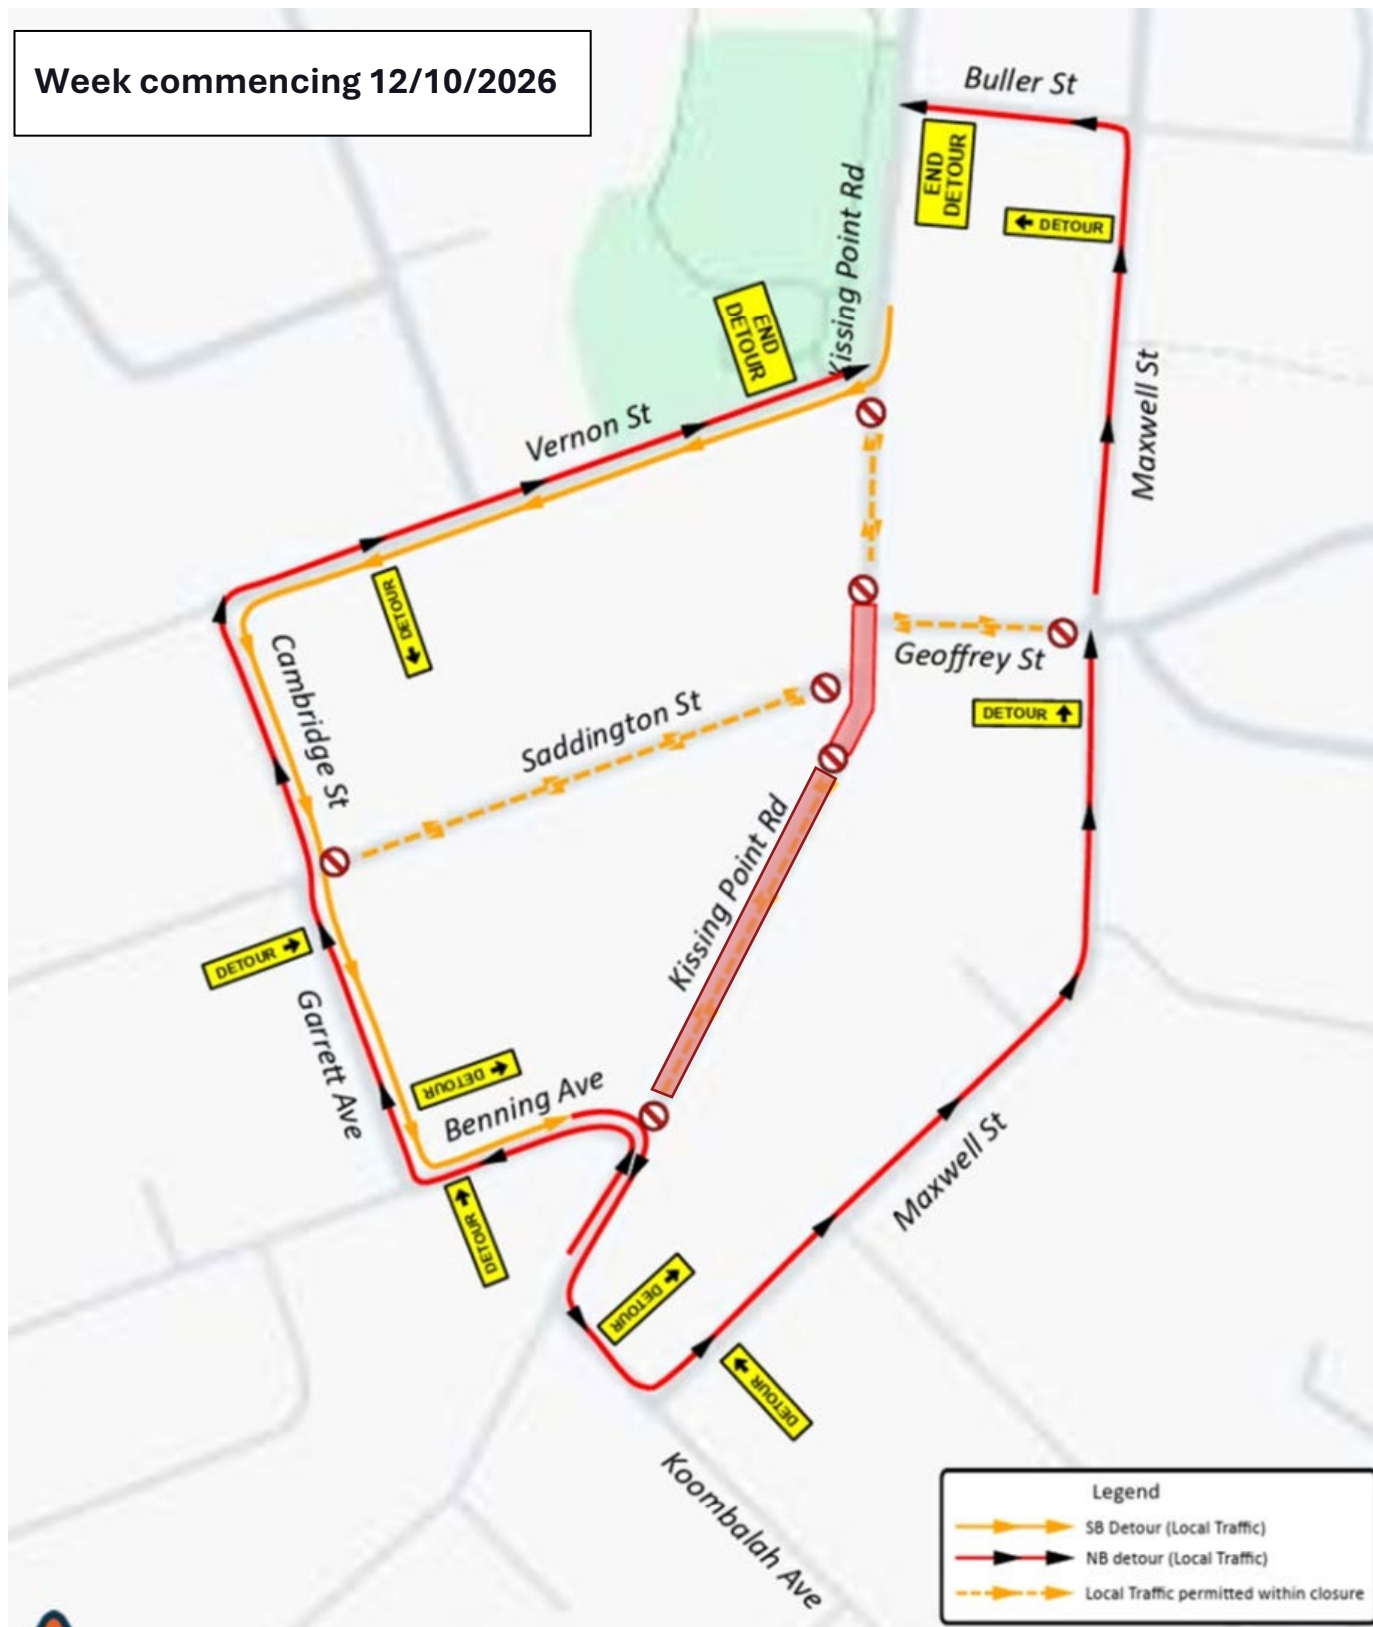

Updated construction schedule

- **Benning Avenue to Vernon Street:** Our first construction crew will continue working in this section from **Monday 12 October 2026 for approximately four weeks.**
- A second construction crew is expected to commence work in **early to mid-November 2026 for approximately four weeks.** The exact work location and start date will be confirmed in an upcoming construction notification.

Please note that these dates are indicative and may change depending on ground conditions, weather and construction progress.

Please see the updated detour map on the next page.

Week commencing 12/10/2026

Detours are indicative only and may change due to site conditions.
We reserve the right to adjust to ensure safety and efficiency.
