

3 June 2026

Dear Resident,

RE: Ryde to Pymble Pipeline Upgrade
Launch pit site establishment, 283 Vimiera Road, Marsfield

Sydney Water is reinstating the Ryde to Pymble pipeline to strengthen network resilience and support population growth across Sydney's northern suburbs. Before work starts, we need to establish a launch pit for direct pipe activities at 283 Vimiera Road, Marsfield.

We plan to start on **Tuesday, 9 June 2026**, and site establishment is expected to finish mid-August, weather permitting.

Our work hours

Monday to Friday: 7:00 am to 6:00 pm

Saturday: 8:00 am to 6:00 pm

No work is currently planned on Sundays or public holidays.

What you need to know

Construction work will create noise from vehicle movements, clearing vegetation, digging, rock breaking and drilling, concreting, and using equipment like generators or dewatering pumps, if needed. We'll include noise respite periods to give short breaks from noise activities and reduce disruption for nearby residents.

We understand that construction work can be disruptive, we will do our best to minimise any impact on you and will keep the local community updated as our work progresses.
