**Can't make the weekend?**

We run tours during the week.

Use the email above to book your **FREE** tour.

**Did you know that 85%  
of our drinking water  
supply relies on the rain?**

**At Sydney Water, we are exploring  
ways to be less reliant on rain.**

**We have built NSW's first  
Purified Recycled Water (PRW)  
Discovery Centre at Quakers Hill  
– and you're invited to visit!**

This **FREE** learning experience provides an opportunity to explore water management over time and see how purified recycled water treatment technology works by touring our working demonstration plant.
