17 November 2026

Upcoming out-of-hours work in Luddenham

We're writing to let you know about upcoming out-of-hours work in Luddenham.

As part of construction of the new wastewater infrastructure in the Cosgroves Creek Stage 1 Precinct, which includes 10.5 kilometres of new wastewater pipelines, our contractor Quickway will undertake **concrete pours and associated activities at the new pumping station located on Luddenham Road near Sydney Metro.**

What do I need to know?

From **Tuesday 24 November 2026** until **Wednesday 31 March 2027,** we'll work extended evening and nights shifts during this period to deliver the new pumping station at Luddenham. We'll work no more than two (2) shifts per week.

Updated extended work hours are:

- **6 pm to 7 am, Monday to Friday**
- **From 7 am to 8am on Saturday.**

The work will involve:

- concrete pours including concrete pumps and concrete vibrator
- crane operations and lifting activities
- plant and equipment movements, including concrete trucks and light vehicles
- Installation of formwork and reinforcement steel to facilitate concrete placement activities
- operating hand tools and generators in work areas to power site facilities and equipment
- general site maintenance, housekeeping, tidying and controls as required

Our standard work hours are **7 am to 6 pm Monday to Friday** and **8 am to 1 pm Saturday.**

What can I expect?

We don't expect the work to be disruptive, but we'll make every effort to reduce any impact this work may have on you.

Sydney Water Corporation ABN 49 776 225 038
2 Parramatta Square, 1 Smith Street, Parramatta, NSW 2150 | PO Box 399, Parramatta, NSW 2124
Telephone 13 20 92 sydneywater.com.au

You may experience:

Noise
We'll keep noise to a minimum, avoid unnecessary loud noises and follow all mitigation measures in the construction environmental management plan. **Extended works shifts will be limited to two (2) shifts per week.**

Truck and plant movements
There will be vehicle and plant movements in and out of the site. Truck movements will vary each day depending on the work activity. We'll avoid parking our trucks on the street wherever possible. When needed, our traffic controllers will help keep traffic flowing safely and minimise disruption to local traffic.

All out-of-hours work will be undertaken in accordance with the project Environment Protection Licence, Road Occupancy Licences and Transport for NSW requirements.

Thank you for your patience and understanding while we complete this important work.
