Dear Cheryl,

**SSI-8609189 – Upper South Creek Advanced Water Recycling Centre
Environmental Representative (ER) – Endorsement of the Waste and Resource Use CEMP
Sub-plan, Revision C**

Pursuant to SSI-8609189 Condition A28(d)(i), I have reviewed the following document which has updated to include the most recent layout map, inclusion of Modification 2, minor word changes with regards to sustainability and inclusion of details regarding the Environment Protection Licence (EPL) 21800.

Complete details of the reviewed document as follows:

- Upper South Creek Advanced Water Recycling Centre and Pipelines
Waste and Resource Use CEMP Sub-plan (WRUCSP), Document No. USCP-JHG-MPL-ENV-0010
Revision C dated 18/08/2024

As the approved Environmental Representative (ER) for the Upper South Creek Advanced Recycling Centre Project, I am satisfied the amendments are administrative in nature and are consistent with the terms of the Project Approval (SSI-8609189) and the CEMP, CEMP Sub-plans and monitoring programs approved by the Planning Secretary. I therefore approve the minor amendments to the above listed documentation.

Please feel free to contact me if you require anything further or would like to discuss.

Yours sincerely,

A handwritten signature in blue ink, appearing to read "Ben Bracken", written over a light blue circular stamp.

Ben Bracken
