

Terms and conditions of supply, May 2019

If you're assessed as eligible to receive goods and services that we supply under the PlumbAssist® program, the following Terms and conditions apply.

1. Eligibility

To be eligible to receive services under PlumbAssist®:

- (a) you must be assessed as eligible by a Sydney Water Customer Care case coordinator
- (b) you must reside in and own the residential property that will receive the service
- (c) your property must have an authorised or approved connection to a water main owned by Sydney Water
- (d) you must not own or part-own another property.

2. The services

The services will be supplied by one of our licensed contractor plumbers at no cost. Our plumbers are available between 7.30 am and 6 pm weekdays only. When you book an appointment, you are bound by these Terms and conditions.

3. Repair work

Where repair work is identified, our plumber will provide you with a list of items that need repair. Some items may need to be repaired on a return visit.

When the work is finished, we will test all items that are repaired and remove our own rubbish and any excess material from your property.

The following work is **excluded** from the service:

- Refinishing stencilled, stamped or patterned concrete surfaces.
- Retiling/painting or re-waterproofing any tiled or other affected surfaces.
- Removing trees.
- Repairing or replacing sewers.

4. Cancelling the services

You can cancel an appointment by calling **1800 807 475** at least four (4) hours before the scheduled time. To cancel appointments scheduled before 11 am, you must give us notice the previous day.

If work has commenced before you cancel the service, you may not be eligible to receive further services in the future. We may charge a call out fee if you cancel the services more than once.
